

Refund Policy

Last updated September 26, 2026

This Refund Policy applies to purchases of the humanKIND Classroom Kit and related products sold by Kindness Learning Company LLC through humankindclassroom.com.

Order Cancellations

If you contact us before your physical order has shipped and before you have accessed or downloaded the digital curriculum, we will cancel the order and issue a full refund to the original payment method.

Seven Day Refund Requests

You may request a full refund within 7 calendar days of purchase if you have not accessed or downloaded the digital curriculum.

If the physical items have already shipped, all items must be returned unused, undamaged, and in their original condition before the refund is issued. Return shipping is the buyer's responsibility. Original international shipping charges, customs duties, taxes, and related fees are not refundable.

Digital Curriculum

Because digital curriculum materials are made available promptly after purchase, the digital component is non-refundable once it has been accessed or downloaded. The Classroom Kit is sold as a bundled product, so a full-kit refund is not available after digital access has occurred, except where required by law.

Damaged Defective or Missing Items

If a book, handbook, or plush toy arrives damaged, defective, or missing, contact us within 14 calendar days of delivery. Please include your order number, a description of the issue, and photographs when relevant. We will review the request and provide an appropriate replacement, refund, or other resolution.

Incorrect or Undeliverable Addresses

Customers are responsible for providing an accurate shipping address. Additional shipping charges may apply if an order is returned or must be resent because the address provided was incomplete or incorrect.

International Orders

International shipping charges are paid separately and are non-refundable once the order has shipped. Customers are responsible for customs duties, import taxes, brokerage fees, and other destination-country charges. Delays caused by customs or international carriers do not by themselves qualify an order for a refund.

Refund Processing

Approved refunds are returned to the original payment method. Processing times vary by payment provider and financial institution. We will confirm when the refund has been submitted.
