

Terms and Conditions

Last updated September 26, 2026

These Terms and Conditions govern purchases from humankindclassroom.com and access to humanKIND Classroom products, curriculum materials, and related services offered by Kindness Learning Company LLC. By placing an order or accessing the digital curriculum, you agree to these terms.

Eligibility and Authority

You must be at least 18 years old and legally able to enter into a contract to make a purchase. If you purchase for a school, program, or other organization, you represent that you are authorized to accept these terms on its behalf.

The Classroom Kit

The humanKIND Classroom Kit includes nine physical Big World of Little Dude books, one printed humanKIND Classroom handbook, Little Dude and Bird plush toys, access to the digital humanKIND Classroom program, and one 30-minute virtual implementation call, as described on the product page at the time of purchase. Product appearance, packaging, and included materials may be updated without materially reducing the kit's overall value.

Orders Payments and Taxes

Prices are shown in US dollars unless stated otherwise. Payment is due when an order is placed and is processed by a third-party payment provider. You are responsible for providing accurate billing, contact, and shipping information.

Applicable sales tax may be added at checkout. International customers are responsible for customs duties, import taxes, brokerage fees, and other charges imposed by the destination country unless expressly stated otherwise.

Shipping and Delivery

Standard shipping within the United States is included in the kit price. Worldwide shipping may be available for an additional charge calculated separately.

Orders generally ship within 5 to 7 business days, and delivery may take approximately 2 to 3 weeks. These timeframes are estimates rather than guarantees. Carrier delays, customs processing, weather, and events outside our reasonable control may affect delivery.

You are responsible for providing a complete and accurate delivery address. Contact us promptly if an order arrives damaged, appears incomplete, or is not delivered within a reasonable period.

Digital Access and Classroom License

Digital access may be provided immediately after purchase or through instructions sent to the purchaser's email address.

Unless a separate written agreement states otherwise, the digital curriculum and downloadable materials are licensed to the purchaser for use in one classroom. You may print and use the materials with the children in that classroom. You may not share login credentials or digital files with other classrooms, schools, programs, colleagues, online groups, file-sharing services, or the public. Additional classrooms require additional licenses or written permission from Kindness Learning Company LLC.

The license is personal, limited, non-exclusive, non-transferable, and revocable if these terms are violated. No ownership rights are transferred to you.

Prohibited Uses

You may not copy, reproduce, adapt, translate, publish, upload, distribute, sublicense, resell, commercially exploit, or create derivative products from the curriculum, books, characters, illustrations, videos, or other materials except as expressly permitted in writing. You may not remove copyright, trademark, or ownership notices.

Intellectual Property

All curriculum content, books, text, illustrations, characters, trademarks, logos, videos, downloads, and related materials are owned by or licensed to Kindness Learning Company LLC and Cara Zelas and are protected by intellectual-property laws. Big World of Little Dude and humanKIND Classroom branding may not be used without prior written permission.

Implementation Call

The implementation call must be scheduled through the booking method provided and is subject to availability. Rescheduling may be permitted with reasonable notice. The call provides general educational implementation support and does not create an employment, consulting, therapeutic, or professional-services relationship beyond the stated session.

Refunds and Replacements

Purchases are subject to the humanKIND Classroom Refund Policy posted on the website. That policy is incorporated into these Terms and Conditions by reference.

Educational Use Disclaimer

humanKIND Classroom provides educational resources and general classroom strategies. It is not medical, psychological, therapeutic, legal, or special-education advice and does not replace individualized professional assessment or services. Educators and organizations remain responsible for determining whether materials are appropriate for their children, setting, policies, and applicable requirements.

Disclaimer of Warranties

To the fullest extent permitted by law, products and services are provided on an as-is and as-available basis. We do not guarantee a particular educational, behavioral, commercial, or other outcome. Nothing in these terms excludes warranties or rights that cannot legally be excluded.

Limitation of Liability

To the fullest extent permitted by law, Kindness Learning Company LLC, Cara Zelas, and their service providers will not be liable for indirect, incidental, special, consequential, or punitive damages arising from the products, digital

materials, website, or services. Our total liability for a claim will not exceed the amount you paid for the product or service giving rise to that claim. These limitations do not apply where prohibited by law.

Governing Law

These terms are governed by the laws of the State of New York, without regard to conflict-of-law principles. Any mandatory consumer protections that apply to you remain unaffected.

Changes and Severability

We may update these terms from time to time. The terms in effect when you place an order will govern that purchase unless a change is required by law. If any provision is found unenforceable, the remaining provisions will continue in effect.
